Food service

Ref: Z25-BL/Z25-GR

Restaurants, bars, cafeterias, hotels, shops,... The Zummo Food Service line has been designed to provide service in any type of establishment. Depending on the characteristics, Zummo offers each business the perfect juicer to cover their needs and

get maximum return on their investment. The Zummo Food Service range incorporates Viva, the Nature juicer models, and the Samba juice extractor, in all versions and with all accessories. Discover them!

EQS y EVS® Advanced

With that intuitive system, the EVS squeezing kit is grouped into a single block minimising the number of parts. Easily assemble and disassemble the squeezing kit in one easy movement. Save time and turn it into profit.

Squeezing kits

Squeezing kits of different sizes allow you to maximise the output of the squeezed fruit according to its diameter. Easily identifiable thanks to the characteristic colour of each range:

Medium (M): Beige; Small (S): Brown; Extra Small (XS): Green

Thanks to the EQS system of the squeezing kit, assembling and disassembling the kits is even easier.

Automatic filter

An innovative rotating design which guarantees the highest quality and purity of the juice.

Fruit dispenser

Up to 1.5 kg of fruit in the minimum space. Its sloping design makes it easy to load the fruit and makes it highly visible, creating an eye-catcher in your business.
